I. Hospital Sector "Hospitals & Clinics":

N°	Reference	Project title	Nature of services	Year
1	Bechir Hamza Children's Hospital	HVAC and Operating Rooms Project	HVAC/ Operating rooms and intensive care	2005
2	Mongi Ben Hamida National Institute of Neurology	Renovation of the heating and air conditioning systems	HVAC	2005
3		Redesign of Operating Block A	Operating and Intensive Care Rooms	2012
4	National Bone Marrow Transplant Center	Strengthening the air conditioning system of the bone marrow and transplant center	HVAC	2007
5	Marsa Internal Security Forces Hospital	Air conditioning of operating rooms	Air treatment/ Operating rooms and intensive care	2006
6	Menzel Bourguiba Regional Hospital	Construction of a maternity ward	HVAC/ Air treatment/ Operating rooms and intensive care	2008
7	General and Cardiovascular Clinic	Rehabilitation of operating theaters	HVAC/ Air treatment/ Control system/ Operating room	2008
8	Salah Azaiez Institute	Installation of air conditioning and air treatment systems within the Bunker	Air conditioning of chemotherapy rooms	2009
9	Erahma Polyclinic	Construction of the polyclinic	HVAC/ Operating rooms and intensive care	2009
10	Taoufik Polyclinic	Renovation of the Polyclinic	HVAC/ Plumbing/ Operating rooms and intensive care	2009
11	Jendouba Regional Hospital	Renovation of the operating theatre air conditioning system and drinking water supply networks	Air conditioning/ Operating and intensive care rooms/ Water treatment	2010
12	El Hakim Polyclinic (Korba)	Construction of the polyclinic	HVAC/ Operating rooms and intensive care	2012
13	Excellence Polyclinic in Mahdia	Construction of the Polyclinic	HVAC/ Plumbing/ Regulation/ Operating room	2012-2013
14	Mongi ben hamida national institute of neurology	Renovation Works of Operating Block A		2012-2013
15	Tamanrasset Military Hospital - Algeria	Construction of the hospital	HVAC/ plumbing/ regulation/ BMS/ fire safety/ clean rooms/ operating rooms and intensive care/ air treatment/ electricity	2013-2014
16	Fattouma Bourguiba University Hospital of Monastir	Installation of air conditioning equipment for operating rooms in the neurosurgery, ophthalmology and orthopedic departments	HVAC	2014-2015
17	Charles Nicolle Hospital in Tunis	Development of a medical-legal emergency unit	HVAC / Plumbing	2015
18	La Rabta University Hospital	Rehabilitation of the central operating block	HVAC/ plumbing/ cleanroom rehabilitation/ electrical	2015
19	Tunis Maternity and Neonatology Center (Wassila)	Renovation of the air conditioning systems in the neonatology department on the 3rd floor	HVAC	2016
20	El Manar Clinic	Extension of the hospital and renovation of the operating theatres for modernization and compliance with standards	HVAC/ Air handling/ Plumbing/ Control system/ Operating rooms and intensive care	2016-2017
21	La Rose Clinic SA	Construction of the clinic	HVAC/ Air handling/ Plumbing/ Control system/ Operating rooms and intensive care	2013-2017
22		Clinic Redevelopment	Air treatment	2023
23	Main Military Teaching Hospital of Tunis	Development of the internal pharmacy	HVAC/ Plumbing/ Control System/ Clean Rooms	2019
24		Redevelopment and upgrading of the central operating block and pharmacy laboratory	5 Operating and intensive care rooms	2020
25		Supply and installation of an electrical supply line	Electricity	2022
26		Supply, installation and commissioning of air conditioning cabinets	Air conditioning	2024

N°	Reference	Project title	Nature of services	Year
27	Hospital Abderahman Mami Pneumo-Pathobiology	HVAC Infrastructure Works	HVAC	2018
28	Ennaser Clinic	Redevelopment of R-1	HVAC/ Plumbing/ Sterilization	2023
29		Redevelopment of the 4th floor	HVAC/ Plumbing/ Sterilization	2023
30		Redevelopment of the Scanner Room	HVAC/ Plumbing/ Sterilization	2023
31		Redevelopment of the 3rd floor	HVAC/ Plumbing/ Sterilization	2023
32	Mohamed Kassab Orthopedic Institute	Installation of air conditioning and air treatment systems in the operating rooms	HVAC/ Plumbing/ Operating and Intensive Care Rooms/ Air Treatment	
33	Hédi Raïs Ophthalmology Institute	Air treatment and cleanroom	Air Treatment / Cleanrooms / Heating	
34	Aziza Othmana Hospital	Installation of air treatment systems and clean rooms	Air conditioning/ Operating rooms and intensive care/ Plumbing	

II. Pharmaceutical & Medical Research Sector:

N°	Reference	Project title	Nature of services	Year
35	Pharmaghreb	Installation of an air treatment system for the factory	HVAC/ Clean rooms	2007
36	Winthrop Pharma Tunisia « SANOFI »	Construction of a distribution center for the pharmaceutical factory	HVAC/ Clean Rooms/ Plumbing	2009
37	SAIPH	Unit expansion and upgrade	HVAC/ Air Treatment/ Clean Rooms	2010
38	SOGEMED	Construction of the Manara clinic	HVAC/ Clean Rooms	2010
39	Teriak Laboratories	Air conditioning and sanitary plumbing work	HVAC/ Clean rooms	2013
40	Tunisia pharma	Construction of the Drug Laboratory, plot no. 27	HVAC/ Clean rooms	2016
41	Pharmacovigilance	Development of the Clinical Pharmacology Laboratory	Air treatment	2016
42	Biogalenicpharma	Installation and optimization of HVAC & air treatment systems	HVAC/ Air Treatment/ Clean Rooms	2020
43	Madiba: Pasteur Institute of Dakar	Installation of HVAC and clean room infrastructure	HVAC/ Air Treatment/ Clean Rooms	2023
44	AFRICAMARIL: Pasteur Institute of Dakar	Construction of the AFRICAMARIL vaccine manufacturing plant for the Pasteur Institute	HVAC / Air Treatment / Clean Rooms	2023
45	Pasteur Institute of Tunis	Supply and installation of laboratory benches and under-bench and wall elements	HVAC/ Air Treatment/ Clean Rooms	
46	OPALIA	Factory extension	HVAC/Clean rooms	2024

III. Hotel Sector:

N°	Reference	Project title	Nature of services	Year
47	Golden Tulip El Mechtele	Renovation of air conditioning and heating equipment and installations in common areas	Air conditioning/ Heating/ Plumbing	2013-2014
48		Installation of air conditioning networks and installation of air-cooled chilled water units	Air conditioning	2015-2016
49	Movenpick Gammarth	Renovation of the hot and cold-water networks in the technical room of the CTA and the booster pump	Air conditioning/ Heating/ Plumbing/ Water treatment	2017-2018
50	Azalaï Hotel Dakar	Supply and installation of HVAC, plumbing and electrical packages CFA & CFO	HVAC/ Plumbing/ Fire Safety/ Electricity CFA CFO	
51	The Aïn Draham oaks	Supply and installation of HVAC systems, plumbing and technical equipment swimming pools & kitchens	HVAC/bPool/bPlumbing/bKitchen	2022
52	ASBU - Arab States Broadcasting Union	Construction of a 5* hotel and a business center	HVAC/ Plumbing/ Kitchen/ Pool/ Fountain	2019-2021
53		Construction of the ASBU Link Center 33,000 m ²	HVAC/Plumbing	2024
54	TERROU-BI Hotel	Hotel Extension	HVAC / Air Treatment / Electrical / Fire Safety/ Sanitary Plumbing	2024
55		Redevelopment and renovation of the bar and locker room area	HVAC / Air Treatment / Electrical / Fire Safety/ Sanitary Plumbing	2024

IV. Industrial Sector:

N°	Reference	Project title	Nature of services	Year
56	CHAMA	Supply of Air Conditioning Systems and Fluids	HVAC/ Plumbing/ Compressed Air/Air Treatment/ Fire Safety	2005
57	BOSCH	Air treatment at the BOSCH-LAAT factory	HVAC/ Plumbing/ Compressed Air/ Air Treatment/ Fire Safety	2005
58	GIAS - General Industrial Food Slama	Air conditioning and air treatment at the GIAS factory	HVAC/ Plumbing/ Compressed Air/ Air Treatment/ Fire Safety	2006
59	LAINO	Installation of air conditioning systems at the LAINO factory	HVAC/ Plumbing/ Compressed Air/ Air Treatment/ Fire Safety	2006
60	STLIPC - tunisian libyan company for the construction products industry	Supply and installation of air conditioning and fluid systems at the tile and earthenware factory in Musrata, Libya	HVAC/ Plumbing/ Air Treatment	2006
61	SOPINO (SEBN)	Construction of a factory in Jendouba (phase I) 18,000 m ²	HVAC/ Plumbing/ Compressed Air/ Air Treatment/ Fire Safety	2011-2012
62		Extension of an industrial unit in the El-Ertieh industrial zone 21,000 m ²	HVAC/ Plumbing/ Compressed Air/ Air Treatment/ Fire Safety	2021
63		Factory Redevelopment and Upgrade (Phases 1, 2, and 3)	HVAC / Air Treatment	2021
64	Corsica Aeronautical Composites (CCA)	CCA plant extension phase II + phase III	HVAC/ Plumbing/ Compressed Air/ Air Treatment/ Fire Safety	2015-2016
65		Moving the chilled water units	HVAC/Plumbing/Compressed Air/Air Treatment/Fire Safety	2022
66	Defontaine Tunisia	Redevelopment of a factory (phases 1 and 3): Renovation of machine cooling systems	Air conditioning	2016
67	UPM	Construction Project of a UPM Factory		2017-2018
68	AZUR Paper	Supply and Installation of HVAC, Fire Safety and Sanitary Plumbing Systems in Lot 25 bis	HVAC/ Steam/ Fire Safety/ Plumbing/ Air Treatment	2018
69		Installation of the fire safety part and the cleaning network	Plumbing/ Air Treatment/ Fire Safety	2021
70	Azur Detergents	Supply and Installation of Technical Systems	Air conditioning/ Fire safety/ Compressed air/ Plumbing/ Smoke extraction/ Steam	
71		Supply and Installation of Technical Systems	Air conditioning/ Fire safety/ Sanitary plumbing	
72	GRUNER	Construction of a relay manufacturing unit	HVAC/ Air treatment/ Fire safety	2018-2019
73	RNTA	Air conditioning	Air conditioning	2019
74	PIRECO	HVAC assembly of gas turbine power plant	HVAC/ Steam/ Air Treatment	2020
75	STELIA Tunisia	Supply and installation of sprinkler systems	Fire safety (SPRINKLER system)	2021-2024
76		Creation of a production unit	HVAC/ Plumbing/ Compressed air/ Fire safety (RIA, sprinkler)	2023
77	Marquardt Tunisia	Construction of the MAT 1 factory extension	HVAC/ Steam/ Plumbing/ Air Treatment/ Fire Safety RIA	2020
78		Supply and Installation of Technical Systems	Air conditioning/ Compressed air/ Sanitary plumbing/ Smoke extraction/ Fire safety	
79	MENTOR	Redevelopment and Upgrade (Phase I)	HVAC/Fire Safety/Plumbing	2020
80		Redevelopment and upgrading of the factory (Tranche 1, 2 & 3)	HVAC/Air treatment	2021
81		Air Conditioning Systems	Air conditioning/ Compressed air/ Fire safety	2024
82		Supply and Installation of Technical Systems	Air conditioning/ Compressed air/ Fire safety/ Sanitary plumbing

N°	Reference	Project title	Nature of services	Year
83	YKK Tunisia	Supply and installation of technical systems	Air conditioning/ steam/ fire safety/ electricity/ sanitary plumbing/ regulation/ water treatment/ compressed air	2022
84	DRÄXLMAIER Group Siliana	Extension and Redevelopment of the SATS factory	HVAC/ Sanitary plumbing/ Electricity and regulation/ Compressed air	2022
85	BULGIN Tunisia	Construction of the factory (phase 2)	HVAC/ Steam/ Plumbing/ Fire Safety/Air Treatment	2022
86		Redevelopment and extension of the factory	HVAC/ Steam/ Plumbing/ Fire Safety/Air Treatment	2022
87	SFTL	Construction of a factory extension	Air conditioning/Plumbing/Fire safety (RIA, extinguisher) /Air treatment	2023
88	Airbus	Sprinkler installation building 1	Fire safety (SPRINKLER system)	2023
89	SEWS Tunisia	Air conditioning	Air conditioning	2024
90	MAD Chips	Renovation of machine cooling systems	Machine cooling systems	
91	GARTEX Tunisia	Installation of HVAC, steam, plumbing, air treatment and fire safety systems	HVAC/Steam/Plumbing/Air treatment/ Fire Safety	
92	CETTEX	Layout of the chemistry laboratory	HVAC/Air treatment/Fire safety	
93	Le moteur SA	Fire safety study, smoke control and extraction section of the storage warehouse	Fire Safety	2021
94	AUTOLIV Tunisia	AUTOLIV asw 3 plant extension	Fire safety (sprinkler)	2023
95	Valeo	Construction Project for the BA3 Factory	HVAC/ Compressed Air/ Fire Safety/ ISO 8 Clean Room/ Sanitary Plumbing	2024
96	HMP	Supply, installation, and commissioning of air conditioning units	Air Conditioning	2024

V. Offices & Administrative Buildings:

N°	Reference	Project title	Nature of services	Year
97	Tunisian Television	Maintenance of air conditioning systems in archive premises	Maintenance	2013-2015
98	OACA	Supply and installation of precision air conditioning equipment, DRV air conditioning system and renovation of the CCR air conditioning at AITC (lot 2)	Air conditioning	2014-2015
99	Ministry of Equipment and Housing	Supply and installation of air conditioning systems in the congress hall of the cultural center of Monastir	Air conditioning	2015-2016
100	Gammarth Immobilière	Construction of the Residential Complex	Heating/Plumbing	2016-2017
101	TRANSTU	Renovation of fluid and fire safety installations at the STT SIJOURI depot	HVAC/Plumbing/Fire Safety	2017
102	French Embassy	Renovation of air conditioning – diplomatic campus: Works contract 2017/00CDRC3 – renovation work on production units and CTAs	Air conditioning	2017
103	Tunisia Telecom	Redevelopment and renewal of installations and equipment related to the booster room and water tanks located at the TT complex in El Kasbah	HVAC/Air treatment/Filtration systems	2017
104	Jendouba Swimming Pool	Construction of an indoor swimming pool	HVAC/ Swimming pool	2017-2018

« ELECTRO FLUIDES » REFERENCES

ISO 9001:2015 Certified | Excellence and Compliance with International Standards

N°	Reference	Project title	Nature of services	Year
105	Presidency of the Republic	Air conditioning and renovation of the hydraulic circuit of the existing fan coil units in the administrative building as well as related work, phase no. 2	Air conditioning	2017-2018
106	Bourse de travail	Redevelopment (phase 2)	Air conditioning	2017
107		Construction of the CNSS Boussalem headquarters	Air conditioning/Plumbing	2017
108	CNSS - National Social Security Fund	Renovation of the central air conditioning and sanitary plumbing networks of the CNSS Jendouba	Air conditioning/Plumbing	
109		Renovation of the central air conditioning and sanitary plumbing networks at the Tunis headquarters	Air conditioning/Plumbing	2018-2019
110		Supply and Installation of Central HVAC Systems for Headquarters	HVAC	2009
111	STEG	Supply and Installation of Heating and Plumbing Systems at STEG BEJA	Heating/Plumbing	
112		Supply and Installation of Air Conditioning Systems at STEG Enfidha Sousse	Air conditioning	
113	SNIT	Installation and setup of VRV air conditioning system and renovation of electrical equipment	Air conditioning	2020-2021
114	Jaguar	HVAC & Plumbing Supply and Installation	HVAC/Plumbing	2021
115	STKE - Tunisian-Kuwaiti Company of El Emar	Construction of the residential, office, sports and leisure complex "Montazah Ain Zaghouan" SL2-T1	Air conditioning/ Boiler room/ Plumbing/ Swimming pool	2022
116	Residence des Parcs - Avenue Real Estate	Construction of a high-end residence on 10 floors	HVAC/Plumbing	2022
117	DRÄXLMAIER Group Siliana	Construction of a Casa Lisa home	Fire safety (sprinkler) / Sanitary plumbing / HVAC	2022
118	Ministry of the Interior	Redevelopment of the archive room at the headquarters of the Ministry of the Interior	HVAC/Air treatment	2022
119			HVAC/Smoke	2023
120	DRÄXLMAIER Automotive Center Tunisia	Construction of a R+5 development center DRÄXLMAIER SOUSSE-HUB	Extraction/Electricity/Plumbing/Fire Safety	2023
121	Kasserine Science City	Acquisition and installation of seats and air conditioning systems for two Planetarium Domes	Maintenance/Air Conditioning	2024
122	Tataouine Science City		Air conditioning	2024
123	Ministry of Justice of Tunisia	Supply and installation of air conditioning systems	Air conditioning	
124	Embassy Splits Gendarmes	Renovation of individual air conditioners in gendarme accommodation	Air conditioning	2022

VI. Banking Sector:

N°	Reference	Project title	Nature of services	Year
125	BH Bank	Redevelopment of the BH Kheireddine Pacha branch	HVAC	2016-2017
126	BFI International	Redevelopment of a 3-story building	Air conditioning/ Ventilation/ Sanitary plumbing	2020
127	BNA	Renewal of the air conditioning systems in the headquarters annex building and the R+14 network	Air conditioning	2020-2021
